MESSAGE

It gives me immense pleasure to express that Purbachal Ananda Foundation, a not-for-profit organisation is running a Institute for poor and disadvantaged children since 2005 at village Purokonda, near Barjora, Bankura. I find that the children are well taken care off and the organisation is putting their best effort for all round development of these children for self sufficiency and training them to grow up as a responsible citizen of the society.

I wish them all success in their endeavour.
